Pastor Terry will preach on the themes on Sunday morning, then we encourage everyone to join a small group to discuss, explore the Bible, share personally and have a time of group prayer. During the week you will have an opportunity to build relationships with others in the church and to grow in your understanding of prayer.

**Sign up TODAY in the foyer and choose a small group which fits your schedule.** We hope and pray many will join in this study and together we will grow in our relationship with God and with one another.
